

Specialist practice areas: Serious Crime, Criminal/Civil

Fraud

Sexual offences, including child abuse and cruelty cases, are Lisa Matthews' primary area of interest. She is also highly experienced in fraud, such as credit card cloning and housing benefit conspiracies. Drugs-related cases form a further area of expertise.

Lisa's violent crime practice encompasses murder and GBH.

She is also regularly instructed in cases involving blackmail, conspiracy to steal and perverting the course of justice. She speaks German.
